

Art Room News 2008-09:

This year the students are not only on a mission of faith, but on a mission for artists as well! Throughout the school year the students will learn about artists from various countries. Our goal is to learn about different artists and how their country's culture impacted the art they created. We are starting the year off in the United States, but who knows where we'll be traveling next? Our first artist is Chuck Close from Monroe, Wisconsin. Make sure to ask our student travelers where they will be heading next! Pack your backpacks because this is going to be an exciting trip!
